WORK HISTORY

StartupList Africa, *Research & Data Analysis Intern, Remote*   **June 2025 – August 2025**

- Developed detailed investor profiles for major financial institutions (e.g., World Bank, Bank ABC, RDF Ghana), mapping their strategies to African agri-tech and seed-stage startup ecosystems to uncover actionable funding opportunities.

- Monitored and summarized key ecosystem developments, including mergers and acquisitions, providing timely updates to support the research team's strategic focus.
- Produced concise, data-driven briefs and visual reports that translated complex financial and market insights into clear, actionable recommendations for linking entrepreneurs with investors.

Upwork, *Freelance Web Developer, Remote*   **May 2025 – Present**
- Developed and maintained client websites using HTML, CSS, JavaScript, WordPress and Webflow.
- Optimized user experience and SEO for StartupList Africa's landing page to boost investor visibility across tech and agriculture sectors.
- Designed a full e-commerce site for PamperedByYuni and currently developing a bakery brand site for BakeHouse Memories in Austin, Texas
- Collaborate with clients to deliver timely and functional digital products tailored to business needs.

Lonestar Soccer Club, *Soccer Coach*   **August 2023 – May 2025**
- Coach and mentor 10+ athletes, enhancing team performance through structured training.
- Develop tailored coaching plans, increasing player retention by 25% per season.
- Manage scheduling and game-day logistics, while ensuring league compliance.
- Foster strong interpersonal communication skills and build confidence through mentoring and team leadership.

YMCA, *Site Lead*   **January 2022 – August 2023**
- Designed and delivered STEM-focused educational programs for 15+ students weekly, enhancing engagement and comprehension
- Trained and onboarded 2 new staff members, reducing training time by 30% through structured mentorship.
- Led classroom management for groups of up to 120 students, maintaining positive feedback from parents, colleagues, and supervisors.
- Coordinated resource allocation and inventory, reducing supply shortages through improved planning and scheduling

Next Level Valet, *Account Manager*   **October 2018 – January 2022**
- Managed daily operations for a high-traffic valet service, handling an average of 120+ vehicles per shift.
- Increased customer satisfaction ratings by optimizing service workflows and implementing feedback-driven improvements.
- Developed and maintained client relationships, contributing to a 15% revenue growth over two years.
